# The One People's Public Trust

- The One People's Public Trust has created and filed legal documents based on
  - The Law of One
  - Universal Law
  - UCC law
- It states, in effect, each Hue-man is a manifestation of the Creator Source, and as such is a Creator, and is NOT subordinate to any artificial principality or corporate fiction.

# In the Beginning...

There was “We the People”.  
Some of the People,  
(known as “They”)  
formed governments,  
as well as an economic  
system. Initially, the  
government and the  
financial system was  
designed to benefit  
All the People, equally,  
through the People's  
Public Trust.

# Declaration of Independence...

We hold these truths to be self-evident,  
that all men are created equal,  
that they are endowed by their Creator  
with certain unalienable rights,  
that among these are  
**Life, Liberty and the Pursuit of Happiness.**

That to secure these rights,  
Governments are instituted among Men,  
deriving their just power from the consent of the governed,  
That whenever any Form of Government  
become destructive to these ends,  
it is the Right of the People to alter or to abolish it...

# Control is an Illusion...

“They” created systems of hierarchies, one form of "archy", "ism" and "ocracy" after another. They knew that to keep up this synthetic entropic reality of scarcity, they must always polarize the humans who still had energetic ties to Creator Source within their heart.

For if the People awakened,...  
...the illusion would fall.

# Divide and Control...

“They” divided humanity with religions, ideologies and political factions to keep people in their seats within the system and so busy “just surviving”, they never had time to simply BE.

The spiritual traditions were twisted, the judges corrupted, and the educational systems were all designed to teach people, this was the natural order of things.

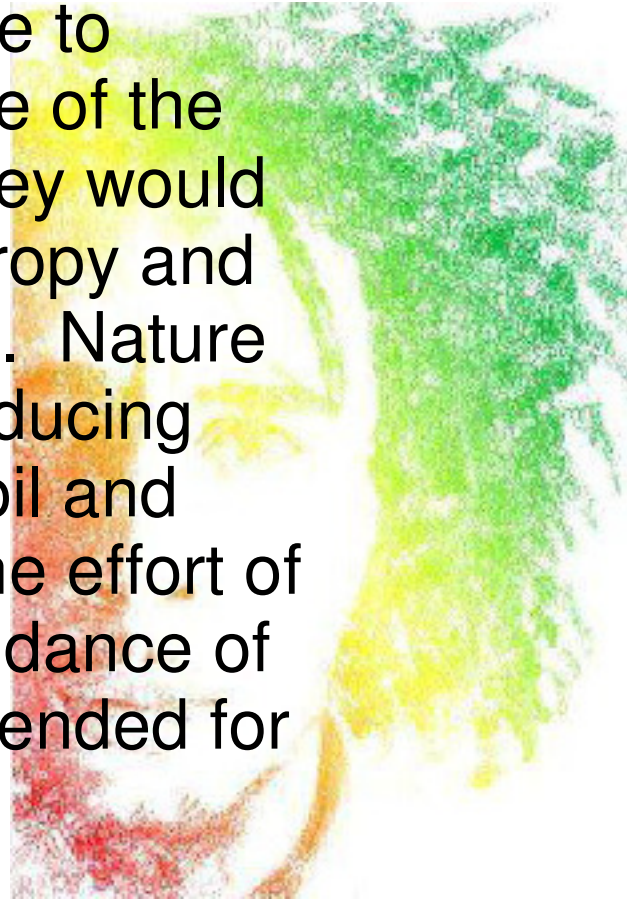

# No Time to Simply BE...

No time to ponder,  
No time for contemplation,  
No time for joy,  
just a brutal, daily  
struggle for basic  
survival, while the  
minions of power  
wallowed in  
luxury and comfort.

# Full Abundance from Source...

For if the people had time to contemplate the structure of the universe they lived in, they would notice the stars defy entropy and only grow more complex. Nature itself defied entropy, producing much bounty from the soil and sunshine compared to the effort of planting it. The full abundance of the Creator Source is intended for All of hue-manity.

**“Emancipate  
yourselves  
from mental  
slavery. None  
but ourselves  
can free our  
minds.”**

Bob Marley

I AM

# “They” Formed a Conspiracy...

“They” colluded against the People, and changed the “fair and equitable system” into a “competitive economic casino system”, pitting one innocent hue-man against another.

The game was rigged...  
...and the house always won.

**THIS IS  
THE GOVERNMENT  
THE FOUNDERS  
WARNED US ABOUT**

*DONT TREAD ON ME*

© Silly Cactus, Inc 2012

# Follow the Money...

“They” rewarded handsomely those who facilitated the economic system. “They” needed hue-man minions in government and finance, and they quickly empowered the most sociopathic and compassionless among the People, to rule as “puppets” for them.

# Some of The People...

Realizing the system was broken, some of The People executed their right to duly consider, investigate and determine with prudence whether abuses, usurpation, and other sufferage have occurred, the destruction of the security of The People, reducing The People under absolute despotism.

# Minions Controlled from Above...

The minions still controlled the judges, the police, the banks, the media, and the Consciousness of an unawakened hue-manity.

# Everything's a Corporation...

All IRS codes are registered in the UCC. All US Codes are registered in the UCC. All international equivalents are registered in the international equivalent of the UCC. It's all there, registered and documented.

The US was a Corporation until they canceled it and left what always was, the united states of America Trust. This means the very concept of self-determination by the citizens of ANY country, was and is a complete fraud.

# Actually Slavery Systems...

The One People's Public Trust successfully filed and executed legal proceedings foreclosing on said Governments, banking institutions and supporting infrastructure and collaborators.

A key part of the approach, that "The Powers That Were" could not and will not rebutt, is that the slavery systems were private corporations, operating under the guise of the People's governments.

# Creator's Value Asset Centers

The People have created legal frameworks called CVACs, which will act as interim governments for all peoples' nations. A sum of 500,000,000 in gold and silver is allocated from each 5 Billion in gold and silver, owed to each hue-man on the Earth (All 7 Billion) in equity, to each of the 194 CVACs to fund their start-up. Every government requires funding.

# Declaration and Order...

While the Trust, once fully executed by lawful military and law enforcement, will bring substantial prosperity to humanity, its bigger than that. It's the legal basis for the complete, permanent removal of the slavery system the controllers instituted.

The One People's Public Trust, 1776

**WITH DUE STANDING, AUTHORITY, and AUTHORIZATION, without prejudice, public policy, UCC 1-308, The Public Trust, through its duly bonded Trustees of record, UCC 1- 201(31) and (33), knowingly, willingly, and intentionally duly issues this OFFICIAL ANNOUNCEMENT of DISCLOSURE regarding "POINT ZERO" pursuant to mandate, this December 25<sup>th</sup>, in the year of our creator, Two Thousand and Twelve as the creator lives, the following is true and correct and we are competent to say so:**

Yes. The The Commercial Registry. The Uniform Commercial Code. Commerce. Whether "Domestic" and "International"...matters not. Over many moments of present, it was quietly and covertly made the supreme law of all lands on earth, the secretly prized pinnacle of human capital and natural wealth registration and management of what have been formerly referred to as the "powers that be." With feverish focus and commitment, it has been made *uniform* right before your very eyes...albeit, "eyes wide shut" for the most part. What is not widely known, is that this "supreme law" has been duly REGISTERED in COMMERCE and duly gifted to the people equally and jointly as their full indefeasible title, ownership, and rights as SECURED PARTY, a matter of record, un rebuttable and un rebutted.

# The One People's Public Trust

In line with the most skilled magicians known and unknown, the existence of another sort of “magician” began to emerge. A sort with the unrivaled charisma, acting skills, and “backing” of the most decorated talent. A sort with a fanatically deep-rooted and cultured focus and commitment that was perceived by them as “un-rootable”, “undiscoverable.” This sort, deceptively tantalized the people with the distraction of CONSTITUTION and DEMOCRACY created by the slight of knowingly arrogant hand on one side, while the other hand covertly REGISTERED the Truth in COMMERCE by the “slight of the pen” with the other.

Swearing absolute solidarity amongst their own kind, this sort agreed to secrecy...never to reveal the Truth, for fear and absolute knowing that this sort's world, nay their very existence, would end if the Truth were ever known to “their audience”, “their capital”, the people. At the very best, if the Truth be known, the people would no longer believe and pay tribute again, leaving this sort of magician to disintegrate in the sole vampiric company of their own kind. At the very worst...well, this sort never got this far. Their ego was so great they could not fathom someone outside of their inducted kind competent enough to discover the Truth, let alone someone being of capacity, willing and intent to effectively use and enforce it...

In order to insure this sort's Agenda, they routinely and tirelessly trained their apprentices to practice this sort's “magic”. At any and all costs, the Agenda was deviously preserved, protected, and, for the most part, quietly and covertly implemented by REGISTRATION in COMMERCE. When doubt crept in amongst their own kind, this sort would resort to the darkest methods imaginable and unimaginable to keep their kind “in line”, focused and “committed”. This sort did arm their unwitting and witting apprentices alike with the motto that “intelligence rules the world, and Ignorance bears the burden!”, and they reinforced the allusion of guaranty of the “truth” of this motto by using the same tricks of shock and awe, deception, fear, coercion and force that they used to keep the people “on the edge of their seats”, nevertheless, “in their seats”...like good “capital” should be. However, ego was to be this sort's fatal flaw...resulting in their lack of contingency plan for the scenario of their failure to succeed by REGISTRATION of Agenda.

Not only did those with a fierce competency emerge throughout the many, many, many moments of present, but they knowingly, willingly, and intentionally did and do use and enforce it without conflict and without prejudice in a ever quiet manner, with a superior focus and commitment to Truth, and the highest good of all people, that baffles and disorients this sort of “magician.” Every action made is duly bonded and REGISTRED in COMMERCE and NOTICED. This sort of “magician” desperately tried to adapt at each of these moments of present, ever fearful, causing this sort to make fatal mistakes of transparency, albeit not known by the people in full context...yet. In the end, this sort's overwhelming complacency, lack of competency, and lack of capacity by their own choice of action rendered this sort's unfathomable end duly REGISTERED as absolute un rebuttable and un rebutted Truth in COMMERCE.

Those of competency regarding this sort's existence and “magic” knew that the most effective way to guard, preserve, and protect the people, all the people equally, was to ever quietly implement the opportunity for Truth to BE by the knowledge from within by action of REGISTRATION of “Zero Point” or “Prime” in COMMERCE, un rebuttable and un rebutted...knowing that the affects of the action taken to lawfully, legally and duly secure the people and their wealth domicil therein under perpetuity, the Truth, could be subsequently known in context from within the people. This Truth that this sort of “magician” knowingly, willingly, and intentionally attempted to “hide” from the people, “their audience”, “their capital”, by extreme deceptive acts, practices, systems and other heinous actions to keep the people “on the edge of their seats”, nevertheless, “in their seats”, like good “capital” should be. # The Declaration of Independence

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united states of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. -- That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security...
